### Parent Christian Witness Statement

As a parent, I am aware that my child's first and foremost religious instruction comes from the home and that my own attitudes, actions, values, and beliefs greatly contribute to his/her growth in faith. Further, I realize that I can give witness to my child by attending Sunday Mass and taking an active part in parish life, thereby demonstrating the beauty of living the faith.

By enrolling my child(ren) \_\_\_\_\_

in St. Francis Borgia Parish School of Religion, I am expressing my willingness to cooperate with the administration and my child's teacher in their efforts to nurture his/her faith development. I understand that my specific responsibilities include those relating to the following policies:

- Attendance at Mass – Some of what the students learn centers around our celebration at Mass. Attending Mass with your children on Sundays and Holy Days reinforces what the catechists are teaching as well as spiritually enriches your children to be more open to what they hear in class.
- That I will encourage my children to take an active role in their church and parish in any capacity allotted to them at their age.
- Attendance at Class - Because religion classes meet only once weekly, two absences require that the child make up lessons according to the teacher's requirements in order to proceed to the next class level. This is especially critical during sacramental preparation years.
- Behavior - Cooperation and respect in the classroom are vital to a Christian environment. Consistent behavioral problems that cannot be resolved may result in the child's exclusion from our program. Parent conference with the teacher, CRE. and/or pastor may also be indicated. It is understood that if the child must be excluded from class, the CRE will make every effort to assist the parents in the religious education of the child at home.
- Assignments - The child's assignments frequently extend to interaction within the family setting. Parental interest and support are necessary components of the child's successfully completing these assignments.
- Sacramental Preparation - Because continual faith development includes certain understanding of specific elements of that faith and a readiness to participate in the church's sacramental life, a child will not be accepted into the sacramental program (Reconciliation, Eucharist and Confirmation) without some religious training. At least one parent must attend the meeting provided to give parents an overview of the program in place.
- Human Sexuality Program – Education in Human Sexuality is a component of the Religious Education Program at St. Francis Borgia Parish. At least one parent must attend the meeting provided to give parents an overview of the program in place.
- That I acknowledge and accept my financial responsibility to support my parish, the Pastor and my Parish School of Religion.

I support these policies and desire to cooperate in my child's religious education at St. Francis Borgia School of Religion.

## Human Sexuality Permission Form

Dear Parents and Guardians of students registered in **4<sup>th</sup> thru 6<sup>th</sup> grades,**

It is our belief that our Catholic young people need and have a right to know the positive values we, as a faith community, hold in the area of sexuality. Our church has a wonderful story to tell about life and love, and we have an obligation to share it.

Parents are indeed, the foremost educators of their children in this area. St. Francis Borgia Parish School of Religion is also a means through which the beliefs and traditions of the church are shared and parents are supported. The Declaration on Christian Education states;

*“In fulfilling its pastoral and educational ministries, the church recognizes its own serious responsibility to supplement and enhance the education in sexuality which begins in the home”.*

Therefore, it is fitting and possible for PSR to address the church teachings in the area of human sexuality.

Students come to religion classes with all kinds of information about sex as well as ideas concerning the values of our culture. The PSR can provide a safe place to discuss these thoughts and clarify them in light of our faith’s beliefs. While the basal religion series make fine efforts in teaching our church’s tradition, the issues of sexuality are often not included. The human sexuality program is intended to directly address three themes in sexuality in an age appropriate way for grades 4<sup>th</sup> thru 8<sup>th</sup> grades. The themes are:

- \*Respect for Life
- \*Relational Quality of Sexuality
- \*Life-Giving / Love-Giving Aspect of Sexuality

Family activities are a part of each theme, and we ask that you complete these activities and return them the following week. Most lessons are built upon the family activities.

Finally, we ask your permission to instruct your children in the area of human sexuality. Our teachers will find an appropriate time in their classroom schedule to introduce this program. Please sign the bottom portion of this letter and we will keep in your child’s file for the school year.

Thank you,  
Kyra Gulledge
